

Our 2009 Introductions

A FRIEND TO ALL (John Shooter, 2009). 31" ML Reb V Frag Noc Ext Sev. 7" - 2 1/2" - 1 3/4". 03-1302. **Diploid**. A beautiful rose cultivar named for our friend Carolyn Catoe who truly is a friend to all. A large green throat radiating into a glistening rich rose pink. Cream midribs adorn the ruffled petals. Rose veining complements this excellent choice. A great selection for any garden. Form is triangular and slightly recurved. Six-way branching, 40 buds. **Double Fan** \$125.00

APPLE ZING (John Shooter, 2009). 33" ML Reb Frag Noc Ext Dor. 5 1/4" - 2 1/4" - 1 1/4". 03-1279. **Diploid**. A tiny green heart on the brightest orange. Just a blush of red on the tips of the petals. Petals have looping ruffles. Form is triangular and recurved. Four-way branching, 27 buds. **Double Fan** \$75.00

ART OF ILLUSION (Elizabeth O. Shooter, 2009). 28" M Reb Frag Noc Ext Sev. 6" - 2 7/8" - 1 3/4". 03-1246. **Diploid**. Deep chartreuse throat mirrors the sepals giving the illusion of more than one center. Bold deep bluish-grape watermark adds drama to the tri-color pattern. Orchid petals and sepals have wavy ruffling. Cream midribs hand brush the petals. Form is round and open. Pod Fertile. Four-way branching, 22 buds. **Double Fan** \$75.00

BANGLES TO JANGLE Elizabeth O. Shooter, 2009). 37" M Reb V Frag Noc Ext Sev. 8 1/2" - 1 1/2" - 3/4". 03-1204. **Diploid**. Huge starburst green throat extending through most of the flower. Petals and sepals are bluish mauve. Form is open, flat and pinched and curled on ends. Heavy substance. Three-way branching, 14 buds. **Double Fan** \$75.00

BETWEEN TWO ETERNITIES (Faye O. Shooter, 2009). 25" M Reb Frag Noc Ext Sev. 8" - 3" - 2". 03-6883. **Tetraploid**. This sunshine yellow throat has green streaks. The crimson red petals have black veins that give a rich velvet glow. Petals are surrounded by white edging that twists, turns, and spikes. An edge lovers dream come true. Creamy white pencil thin edges on sepals. Form is overlapped. Three-way branching, 20 buds. **Single Fan**..... \$250.00

BLUE BOUNDARIES (Elizabeth O. Shooter, 2009). 32" M Reb Frag Noc Ext Sev. 3 1/2" - 1 3/4" - 1 1/4". 02-513. **Diploid**. This fluorescent green throat extends to smoky blue purple. The eyezone is a rich deep purple with an extremely dark purple band showing micro-dots splashing in the lavender blush petals. Purple edging with golden tips. Ruffles lightly feather. Lavender veining and diamond dusted. Form is recurved. Five-way branching, 22 buds. **Double Fan**..... \$75.00

BLUE WINDOW (Elizabeth O. Shooter, 2009). 29" LATE Reb V Frag Noc Ext Sev. 4 1/2" - 2 1/2" - 1 3/8". 02-9578. **Diploid**. This small flower can be the window of opportunity. The throat is chartreuse green etched on a blue watermark. The watermark has the faintest outline of reddish purple. Petals and sepals are the deepest royal

purple. The cream midribs streak across the petals with the effect of sunrays streaming through a window. Unusual Splotching and maroon veining on petals. Form is triangular. Four-way branching, 30 buds. **Double Fan** \$50.00

BORROWED AND BLUE (Elizabeth O. Shooter, 2009). 28" ML Reb Noc Ext Sev. 5 1/2" - 2 1/2" - 1 1/2". 02-0022. **Diploid**. A chartreuse throat spills into a silver blue watermark and maroon self. Purple veining and splotches cover the flower with an array of unique patterns. Form is triangular. Three-way branching, 18 buds. **Double Fan** \$50.00

Featured on the Front Cover

CAROLINA SPIRIT (Elizabeth O. Shooter, 2009). 35" ML Reb Noc Ext Ev. 5" - 2" - 1 1/2". 02-9874. **Diploid**. A chocolate-blush with a green heart extending to chartreuse. The bright purple eyezone is encircled by a raspberry ring that trickles into the veining. Heavy ruffling with a slight purple edge. Form is overlapped. Pod Fertile. Five-way branching, 28 buds. **Double Fan**..... \$100.00

CAT SCRATCH (Elizabeth O. Shooter, 2009). 45" LATE Reb Frag Noc Ext Sev. 5 1/4" - 2" - 1 1/4". 02-ES327. **Diploid**. So many flowers on this very late offering. Triangle chartreuse throat edged by a magenta watermark and royal purple self. Purple veins. Form is recurved and curling. Excellent substance, branching and bud count. Nine-way branching, 51 buds. **Double Fan**..... \$50.00

DEEPLY DRAMATIC (Elizabeth O. Shooter, 2009). 34" EM Reb Frag Noc Sev. 6" - 2 1/4" - 1 1/2". 03-1258. **Diploid**. Electric green throat contrast with a deep burgundy velvet watermark extending into a softer lighter dark red. Petals are feathered with black veins. Form is triangular and slightly recurved. Four-way branching, 20 buds add to the drama. **Double Fan**..... \$75.00

DISCOVERED TREASURES (Elizabeth O. Shooter, 2009). 29" M Reb Frag Noc Ext Dor. 9" - 2" - 1 3/8". 03-1370. **Diploid**. This huge green burst of color explodes with excitement. Petals and sepals have a chalky blue band on a maroon self. Heavy waxy Substance, very stiff. Four-way branching, 18 buds. **Double Fan**..... \$75.00

ELECTRIC LEMONADE (John Shooter, 2009). 32" M Reb Very Frag Noc Ext Dor. 9" - 4" - 2 1/2". 98-0059. **Diploid**. (Lemon Lime Radiance x John Allgood). Diploid. Huge soft vibrant lemon yellow self, darker yellow veining, green heart, loose and flowing petals with ruffled. Three-way branching, 15 buds. **Double Fan**..... \$100.00

FIREWORKS EXPLODING (Elizabeth O. Shooter, 2009). 48" M Reb V Frag Noc Ext Dor. 10" - 2" - 1 1/2". 02-9040. **Diploid**. A huge explosion of orange and chevron fireworks blaze across the horizon. An yellow-orange throat burst onto pinched petals and curled

Our 2009 Introductions

sepals. Petals are chevron red outlined with deeper veining and shades of orange, red, and brown. Four-way branching, 30 buds.

Double Fan.....\$75.00

FOLLOW THE SUN (Faye O. Shooter, 2009). 37" LATE Reb Frag Noc Ext Dor. 7" - 3" - 2 1/4". 02-9402. **Tetraploid.** Excellent heavy substance and outstanding form make this flower a sunny showoff. Green chartreuse throat spills onto the heavy sun fast petals and sepals. Petals are tightly ruffled with thin gold edging. Two-way branching, 14 buds. **Double Fan\$75.00**

FROSTING ON THE CAKE (Elizabeth O. Shooter, 2009). 36" M Reb Frag Noc Ext Sev. 7" - 2" - 1 1/2". 02-9356. **Diploid.** This is such a delightful variant named for our Aunt Flora who is long gone but spread much joy and happiness to all she knew. A huge blazing chartreuse throat blushing onto a rose pink strawberry self. Striking cream midribs flash the length of the petals. Deeper watermark and feathering on petals. Form is open and slightly recurved. Great plant habit. Yum, this truly is the Frosting on the Cake. Five-way branching, 31 buds. **Double Fan\$75.00**

GLITTERING STAR (Elizabeth O. Shooter, 2009). 24" M Reb Frag Noc Ext Sev. 5 1/2" - 2 3/8" - 1 5/8". 03-9732. **Diploid.** Soft green throat enhances this white self with a lemon blush. Lemon veining and pie crust edging give a twinkle effect. Diamond dusted and heavy substance. Four-way branching, 33 buds. **Double Fan.....\$50.00**

GO WITH THE FLOW (Elizabeth O. Shooter, 2009). 26" ML Reb Frag Noc Ext Sev. 6" - 2 3/4" - 1 3/4". 02-D007. **Diploid.** Lime green throat flows throughout lemon-lime petals and sepals giving a green river effect. Ruffles petals and sepals are edged with a blush of rose. Form is triangular and recurved. Three-way branching, 13 buds. **Double Fan.....\$50.00**

GOING HOME TO GEORGIA (Faye O. Shooter, 2009). 44" M Reb Frag Noc Ext Sev. 6" - 2 1/4" - 1 3/4". 02-9526. **Diploid.** Reminiscent of the clay hills of Georgia. A subtle olive green throat blends into creamy midribs with darker veining. The vivid orange petals are boldly edged in red Georgia clay. Tall and Majestic beauty that blooms till frost, one of our favorites. Three-way branching, 22 buds. **Double Fan.....\$75.00**

GOLLY GALORE (John Shooter, 2009). 41" LATE Reb Frag Noc Ext Sev. 6 1/2" - 2 1/4" - 1 1/2". 03-1213. **Diploid.** Wow! What a great late! A huge chartreuse green throat burst onto the scene. Ruffled petals enjoy a cool deep grape self highlighted by a brushed darker grape watermark. Form is triangular and open. A great Late flower with an exceptional growth habit. Four-way branching, 28 buds. **Double Fan.....\$75.00**

GRANNY APPLE GREEN (Elizabeth O. Shooter, 2009). 27" ML Reb Frag Noc Ext Dor. 4 1/4" - 2 3/4" - 1 1/2". 99-076. **Diploid.** This flower

can brighten up any day!! Intense green throat radiates though the bright golden yellow. Petals have heavy substance and creping resembling the rind of a lemon. Form is recurved and ruffled. Four-way branching, 25 buds. **Double Fan.....\$75.00**

GUIDING RADIANCE (Elizabeth O. Shooter, 2009). 25" ML Reb Frag Noc Ext Sev. 7 1/2" - 3 1/4" - 2". 02-9079. **Diploid.** A green heart and chartreuse streaks light this lemon throat. Petals and sepals are rose with a darker rose eye zone. Large wide cream midribs divide petals to give a striking effect. Heavy substance. Three-way branching, 21 buds. **Double Fan\$75.00**

HITCHING POST (Elizabeth O. Shooter, 2009). 46" ML Reb Frag Noc Ext Dor. 12" - 1 1/2" - 1 1/4". 03-T101. **Tetraploid.** This deep reddish purple resembles a hitching post for the old mules in times gone by. It is very tall and regal with heavy substance with a waxy sheen. Hitching Post has a vibrant green throat spilling onto the petals and sepals. Form is open with some twisting. Four-way branching, 23 buds. **Double Fan\$100.00**

HOT STEPPER (Elizabeth O. Shooter, 2009). 36" ML Reb Frag Noc Ext Dor. 9" - 2" - 1 1/4". 02-9348. **Diploid.** A huge extending green throat leads into a dance of speckled orange, rose and reds along the petals and sepals. This one is lively and oh so lovely. Form is open and outreaching. Four-way branching, 18 buds. **Double Fan \$50.00**

I LOVE SHIRLEY (Elizabeth O. Shooter, 2009). 28" E Reb Frag Noc Ext Ev. 8" - 1 5/8" - 1 1/8". 03-0011. **Diploid.** This huge lemon yellow variant is named for a favorite cousin. A lime green throat spills onto the beautiful lemon yellow self giving the effect of green water flowing down a waterfall. Petals are creped and ruffled with heavy substance. Four-way branching, 15 buds. **Double Fan \$25.00**

ISLAND TIME (Elizabeth O. Shooter, 2009). 67" ML Reb Frag Noc Ext Dor. 6" - 1 3/4" - 1". 99-110. **Diploid.** Extremely tall island pink variant waving in the breeze. Deep chartreuse green throat blushed by lemon yellow and lavender watermark. Creamy midribs and cream edged sepals. Ruffled petals with heavy substance. Form is triangular and open. Five-way branching, 33 buds. **Double Fan \$75.00**

LEMON KNOCKOUT (John Shooter, 2009). 26" EE Reb V Frag Noc Ext Dor. 5 1/2" - 2 1/2" - 1 5/8". 03-0001. **Diploid.** This lovely yellow green beauty is a knockout. A complimenting green throat enhances the rich lemon self. Petals and sepals are heavily ruffled with intricate cut edges on the petals. Form is round and recurved with very heavy substance. Flowers are sun fast. Four-way branching, 22 buds. **Double Fan.....\$25.00**

LILAC FLUTTER (Elizabeth O. Shooter, 2009). 32" M Reb Frag Noc Ext Sev. 9" - 2 1/2" - 1". 02-2011. **Diploid.** This lilac lovely will

Our 2009 Introductions

make your heart go flutter bye! Green streaks spill onto a lemon-lime burst of radiance. Petals have a lighter watermark and lilac self with slight silver edging.
