

# This Year at Marietta Gardens

We want to thank all of our valued customers for your continued support throughout the years. We do look forward to serving you in 2009. As you know, personal service will always be Marietta's main objective. Hopefully, you can make a visit with Marietta Gardens to view the gardens progress.

This as been an amazing year at Marietta with the evaluation of future seedlings. It has been one of the most promising years and has given diverse and unique opportunities to explore a wide range of color, form, and patterns. There will always be a continued focus on diploids. This love has and will continue to be John's greatest passion. As a result, Marietta's diploid program has advanced through the years by leaps and bounds. Many flowers are unique and may not be seen anywhere else.

It is difficult to choose favorites, so many colors and

eye patterns ranging in a unique array of unusual forms.

Many favorite dips include A FRIEND FOR ALL, SPIRAL SUN, MAMA'S EGG PIE, and GOING HOME TO GEORGIA. These have proven to be among the best of our non-stop performers. CAROLINA SPIRIT, ART OF ILLUSION, SUNRISE SHADOWS, and SILVER GYPSY have great potential for breeding eye patterns and size.

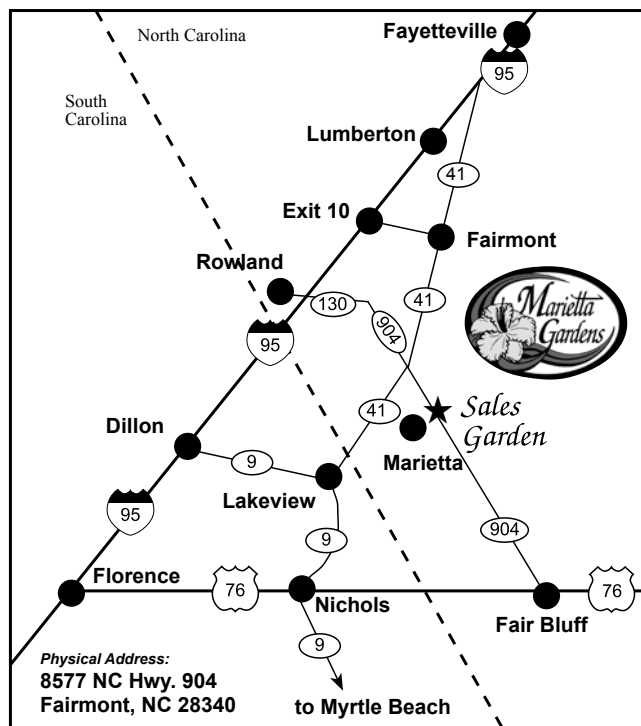

Just don't forget to look at the Tetraploids. One of the favorites this year would be SHARK ATTACK. Seven-way branching, high bud count, sun fast, and a continual display of unique color in reds and apricot. This is a flower to be grown for future generations.

Please view our website of previous Marietta introductions. Much of the inventory has been reduced in price due to good quantity.

## Visit Our Website for Pictures of All Our Introductions

We invite you to visit our website at <http://www.mariettagardens.com> to see full color pictures of our current and previous introductions. Also on our website you will find over 2500 pictures of other cultivars offered in our gardens. You may view our complete 2009 catalog in PDF format.

Our pictures on our website have been taken in our garden during bloom season. Our digital pictures **have not** been enhanced or altered in any way. The colors of the blooms are as near to true life as possible. Our website features a **shopping cart** to ease your online ordering process. If you have questions about our website or catalog please feel free to call us at 910-628-9466 or email us at [mariettagardens@bellsouth.net](mailto:mariettagardens@bellsouth.net).

You are welcome to visit Marietta Gardens where we specialize in daylilies. We are an official AHS Display Garden and are open for business and visitors from 9 a.m. through 6 p.m. daily. We are generally in the garden during the bloom season, but please call before you come to make sure you are not disappointed. For those who have visited us before, do come again as we are continuing to improve our display and sales area on 904. We have many of the newest and best daylilies available on display for you to see and hundreds of fine varieties for you to purchase.

**CATALOG PRICE: \$2.00 (Deducted from first order)**

**Bloom Season:** Daylilies are in bloom from May 1 until October. **PEAK BLOOM** will be from June 1 to June 25.

**Ordering:** Ordering Instructions and Shipping Instructions are on page 33.

**Directions:** Directions to Marietta Gardens can be found on page 33 also.
